Dear Valued Industry Partner,

I am very thankful for the funds that were contributed last year. Due to the support of our Industry Partners, IIDA was able to put on very successful events in 2011.

Our Interior Design Awards entered its 7th year, New Jersey held an interactive accessibility event and a group from Delaware toured the USGBC building in Washington, DC. Philadelphia hosted a great Student Competition Exhibition and Party with over 100 Designers present. The Chapter hosted a traveling CEU on Personal Branding in all of its City Centers. The Philadelphia Product Parade was held for a milestone 10th year. We are looking forward to expanding our event offerings in all areas in 2012. We are planning quality and unique opportunities to attract more designers.

We expect 2012 to be just as successful. This is where you as a valued Industry Partner can help. We ask that you consider supporting the IIDA PA/NJ/DE Chapter by becoming a 2012 Chapter Sponsor or by raising your Sponsorship Level. Our Chapter plans to focus on professional practices and supporting our Members with educational opportunities this year.

In light of the economy, we have kept the amount of our sponsorship levels at the 2011 rates. Each vendor will receive recognition at ALL of the events mentioned to the left in 2012 by becoming a Chapter Sponsor. By raising your current sponsorship level, you can reap the added benefits that a higher level of sponsorship provides.

We are proud of what we have accomplished and are looking forward to what lies ahead. I ask you to join us in our efforts to support our members, enhance the profession and give back to the community.

Please contact me with any questions.
