

Fashion Meets Finish

Fashion Show

“RAW DESIGN”

Evening Gala on May 17, 2012

Please sign up if you are interested in participating.

Please join us for the first annual IIDA New Jersey Event, **Fashion meets Finish**, where design teams create wearable art constructed from unique materials provided by sponsoring manufacturers. At an **Evening Gala on May 17, 2012**, these teams will have the opportunity to model their wearable garments down a catwalk.

We are hosting this special event with the goal of raising money for a scholarship to be awarded to a student aspiring to enter the Interior Design or related field. All proceeds from this event are in direct support of the scholarship fund! Because our success in this endeavor is directly related to the support of professionals in our industry, we kindly ask you for your support and participation. The event brings together designers and architects with a manufactures representative (carpet, wall covering, furniture, and fabric...) to create and display an outfit made out of the manufacture’s material. The spirit of this event is fun and light-hearted yet competitive.

[Type text]

WHO: 20 Design Teams to consist of:
A&D Individuals or Firms
Sponsoring Manufacturer (Industry Partner) will provide materials to create the wearable art.
Sponsoring Manufacturer will be paired up with A&D individuals or firms at a later date by the Fashion meets Finish Committee.

WHAT: The theme this year is **“RAW DESIGN”**
RAW DESIGN: deconstruction of materials to configure a one of a kind garment to be judged.

WHEN: Thursday May 17, 2012

WHERE: STEM Building at Kean University

The community is coming together to make this one of the most successful fundraisers to date for IIDA New Jersey so that we are able to award a significant scholarship to a deserving local student.

Thank you in advance for your thoughtful consideration.
